

Getting the Most from Your Digital SLR Photography

Presented by Brian F Jorg

Class Series: Digital SLR Photography

Class Length: Half Day to Full Day Workshops

Class Type: PowerPoint Presentation and Field Shoot

Class Description:

Master new techniques and improve your picture-taking skills with this part classroom, part 'hands on' field shoot workshop.

Class instruction will focus on understanding camera basics, selecting equipment and lenses for the right situation, setting proper ISO, use of fill flash, composing the image and discuss post image storage and image filing.

Then, put these techniques into practice out in the 'field'. Develop your technical and creative skills, experiment with composition and learn first hand what makes an image- a great one.

Brian Jorg, Cincinnati nature photographer, public speaker, and horticulturist, travels the world to capture the beauty of nature in photographic images. Brian also teaches many seminars, workshops, and classes in Cincinnati and around the region.
