

Trees and Shrubs for Fall Color

Presented by Brian F Jorg

Class Series: Horticulture / Gardening

Class Length: 1 hour

Class Type: PowerPoint Presentation

Class Description:

Extend the color season in your landscape by planting trees and shrubs that will add interest with outstanding fall color. This presentation will showcase the best trees and shrubs for the home landscape that will also provide spectacular autumn foliage. From the brilliant shiny red leaves of the black gum to the vivid orangish-red of the fothergilla, this class will help you select and plant the 'wow factor' in your own home landscape.

Brian Jorg, Cincinnati nature photographer, public speaker, and horticulturist, travels the world to capture the beauty of nature in photographic images.
