

Amazon Adventure

Presented by Brian F Jorg

Class Series: Armchair Adventure Series

Class Length: 1 hour

Class Type: PowerPoint Presentation

Class Description:

Join us as we take a virtual journey to one of the last great 'wild frontiers'-the Amazon. Together, we will explore the rich diversity of the largest rainforest on earth. View life in the forest canopy from a walkway suspended 120' above the ground where myriads of orchids and unique air plants thrive. We will float down the mighty Amazon river-home to more species of fish than in the entire Atlantic Ocean. Meet some of the native people and explore their customs and culture. Learn how they have adapted to survive in this unique ecosystem. Sit back, relax, and enjoy the Peruvian Amazon Adventure from the comfort of your (arm) chair!
