

Knowing and Growing Native Orchids

Presented by Brian F Jorg

Class Series: Gardening with Natives

Class Length: 1 hour

Class Type: PowerPoint Presentation

Class Description:

Obtaining and growing native orchids in the home landscape has never been easier. In this class, we will discuss reasons why commercially propagated native orchids are now more readily available to home gardeners. We will also explore the best native orchids for our gardens and discuss how to create a culture that will allow these jewels of the woodland not only to survive, but thrive in our home gardens.

Brian Jorg, Cincinnati nature photographer, public speaker, and horticulturist, travels the world to capture the beauty of nature in photographic images. Brian also teaches many seminars, workshops, and classes in Cincinnati and around the region. To schedule an event with Brian or for a complete list of available classes, presentations and workshops please visit our website, www.brianjorg.com.
