

Native Orchids of Eastern North America

Presented by Brian F Jorg

Class Series: Native Flora

Class Length: 1 hour

Class Type: PowerPoint Presentation

Class Description:

Orchids are the largest family of plants on earth. They occupy every eco system niche, from the Arctic Circle to the equatorial rainforests. Orchids even thrive right here in our own backyard. This presentation will introduce you to some of the most beautiful plants on earth. Did you know more orchids are native to Hamilton County Ohio, than are native to the entire state of Hawaii? This class will let you discover the great native orchids of Eastern North America.

Brian Jorg, Cincinnati nature photographer, public speaker, and horticulturist, travels the world to capture the beauty of nature in photographic images. Brian also teaches many seminars, workshops, and classes in Cincinnati and around the region.
