

# Native Wildflowers of Eastern North America

Presented by Brian F Jorg

Class Series: Native Flora

**Class Length: 1 hour**

**Class Type: PowerPoint Presentation**

## Class Description:

Similar in style to the spring and summer native wildflower presentations- this class will take us on a pictorial journey through the entire blooming season. We will look at beautiful Showy Lady's Slipper Orchid, uncommon Fringed Gentians and the showy Meadow Beauty. We will talk about which of these wildflowers will work in your own home landscape and discuss how the addition of wildflowers provides assets to the environment- as well as beauty and ambiance to your own home landscape.
