

Basic Plant Propagation for Beginners

Presented by Brian F Jorg

Class Series: Horticulture / Gardening

Class Length: 1 hour

Class Type: PowerPoint Presentation or Hands-on Workshop

Class Description:

Free plants? Yes-you can. In this class you will learn techniques to propagate some of the most common plants found within your own home garden or landscape. Processes, from seed, cuttings, layering and divisions will be discussed. Save money; Have fun and learn a simple way to expand your garden-using materials you already have and grow!

Brian Jorg, Cincinnati nature photographer, public speaker, and horticulturist, travels the world to capture the beauty of nature in photographic images. Brian also teaches many seminars, workshops, and classes in Cincinnati and around the region.
