

Spring Wildflowers of Eastern North America

Presented by Brian F Jorg

Class Series: Native Flora

Class Length: 1 hour

Class Type: PowerPoint Presentation

Class Description:

Join us as we take a pictorial look at some of the most spectacular native wildflowers-from the delicate yellow lady slipper orchid, to the unusual flowers of the native herb, squawroot, in Eastern North America. We will glimpse the strange and elusive skunk cabbage in flower; behold numerous species of the genus trillium and especially the woodlands filled with blooming phlox. This class will cover the great diversity of native wildflowers of Eastern North America in all their visual splendor.

Brian Jorg, Cincinnati nature photographer, public speaker, and horticulturist, travels the world to capture the beauty of nature in photographic images. Brian also teaches many seminars, workshops, and classes in Cincinnati and around the region. To schedule an event with Brian or for a complete list of available classes, presentations and workshops please visit our website,
