

Trial Proven Annuals for Summer Color

Presented by Brian F Jorg
Class Series: Horticulture / Gardening

Class Length: 1 hour

Class Type: PowerPoint Presentation

Class Description:

The number of annuals available to the home gardener has never been greater. Internet sites and catalogs claim to have 'must have' plants guaranteed for the greatest aesthetic appeal, hardiness, and prolific bloom. But can these plants live up to the hype? In this class we will take an honest look at which annuals will not only thrive in our Midwest landscapes, but have been rated 'Best' in the Cincinnati Zoo & Botanical Garden Annual trials (one of the largest trials held in the Midwest) and discuss ways to insure their survival resulting in a successful summer garden.

Brian Jorg, Cincinnati nature photographer, public speaker, and horticulturist, travels the world to capture the beauty of nature in photographic images. Brian also teaches many seminars, workshops, and classes in Cincinnati and around the region.
